Do you have any pornography that simulates having a significant relationship? (<https://www.livejournal.com/away?to=http%3A//www.picturesforsadchildren.com/index.php%3FcomicID%3D165>).

...and hey, look at that, time to go climb!

Awww!

Actually yes, yes I do have such pornography, because it *is* a fetish! LOL (Not linking to spare the innocent.)

I have some that simulates the start of a relationship. Does that count? Or is it just pathetic?

I guess maybe that matures into the other kind?

Have fun climbing, dude. And remember, your body has to be trained to do this again. I suspect, as a Majorly Athletic Dude, a freshly-healed, still-recovering-from-building-all-those-cells body isn't going to meet your expectations of what it should do. Give it time (and food and sleep and whatever else the PT experts

recommend), and it'll once more be something you can count on without thinking. (Until, at least, you get old and grumpy like me.)

COLLAPSE

Now I'm thinking about pornography as the depiction of any act or series of acts you'd like to indulge in with someone else but can't get up the nerve to ask.

'Cause, hello, that would work for me...

COLLAPSE

I could get up the nerve to ask, I think, if I could find anybody amenable to the asking.

(Hey! I can totally ask for a second date.)
